

## IBS Investment Bank CEO Jason Jackson Leads Firm to Inc. 500

**FORT LAUDERDALE, FL., August 2018**— Fort Lauderdale-based IBS Investment Bank a division of Institutional Banking Services, N.A. CORP (IBS, N.A.) today announced that the firm has been included as an honoree in INC. magazines, INC. 500 list.

On an annual basis, INC., the renowned, 39-year old financial magazine, compiles a list of the 5000 fastest growing companies in America. Honorees recognized among the top ten percent of the list are noted as the 500 most influential companies in America. The magazine measures perspective honorees through the assessment of top-line revenue growth and job creation. In 2017, INC. 5000 honorees were noted for significant industry disruption, overall value creation and the addition of nearly 619,631 jobs. Overall, IBS, N.A. ranked as the #362 on the INC. 5000 list, while placing #16 among its peers in the financial services industry.

Jackson, a current Forbes Finance Council member, has been noted for leading groundbreaking investment transactions for the corporate finance and commercial real estate sectors. Since 2011, the decorated investment banker has served as the senior executive of Institutional Banking Services North America CORP and its 8 subsidiaries. “Navigating the waters of today’s constantly evolving economy has been difficult. Innovators are consistently emerging to disrupt their respective industries and promote progress. Our business has made several adjustments over the years to maintain relevance among our clients. We are thankful to INC. for valuing the unwavering persistence of our team enough to consider highlighting us”, said Jason Jackson, IBS, N.A., Chairman and Chief Executive Officer.
